Re: Californians for Fiscal Responsibility - C00617555

Dear Sir:

Please note that the amendment to a 24-hour independent expenditure report filed on June 13, 2016 reflects additional expenses related to communications timely reported.

The additional expense was invoiced eleven days after the dissemination of the mail piece, and the proper 24-hour report was immediately amended to reflect this additional expense. The original mail piece was publicly disseminated on June 2, 2016, and disclosed expenses from Tony Siciliani for \$53,945.73. The additional expense is from Political Data, Inc., in the amount of \$1,681.03, for the mailing list. These two expenses are for the same mail piece (the expense from Tony Siciliani covered production and postage of the mail piece, and the expense from Political Data, Inc. paid for the data costs of the mail piece), and the amendment filed was to reflect an additional expense of the timely reported mail piece. The total cost was \$55,626.76.

Please call if you have any questions. Thank you for your attention to this matter.

Very Truly Yours,
Thomas W. Hiltachk
Treasurer
